

Séminaire de Chicoutimi Services éducatifs--ISP

Our Host Family Services

At the Séminaire, our students and their well-being come first--always. By surrounding our youth with caring and competent people, we provide our students with the necessary conditions to achieve personal happiness and success. Their responsibility is to benefit from our wide variety of support structures in order to mature daily and maintain an endless desire to succeed.

We are proud to offer host family services in association with Canada Homestay Incorporated. The values embedded in this partnership guarantee your child a safe, warm family environment both inside and outside the walls of our school.

Living with a host family offers your child the ideal opportunity to completely immerse him/herself in the French-Canadian culture while living daily with the French language.

A host family offers you the following services:

- a private, furnished bedroom;
- three meals each day;
- a warm family atmosphere conducive to learning;
- a family chosen by our ISP staff in collaboration with Canada Homestay International.
